This is quite a challenging, hilly route. (The circular route of Nutbourne Lane, Gay Street Lane and Gay Street is probably the most undulating part). However, it is an extremely pleasant country ride with some lovely views and the opportunity to visit Nutbourne Vineyard.

1. Park in the public car park, next to the library, in Pulborough High Street. Follow road east towards West Chiltington. There are three pubs within a few hundred yards of each other at the start of the route - The Oddfellows Arms, The Red Lion and The White Horse.

2. Turn left just past The White Horse pub and take the West Chiltington Road. Then a left turn towards Nutbourne. There is a fairly long incline followed by a decline into the village of Nutbourne, passing The Rising Sun pub on the left. After this there is a very long narrow challenging incline for which your efforts are rewarded by a lovely long decline the other side. This brings you to a sharp right turn just before the village of North Heath.

3. Turn right in the direction of Gay Street (Gay Street Lane). The route again becomes a fairly long incline followed by a long decline to reach a T-junction where you take a right turn down Gay Street towards West Chiltington. As you come down the hill towards a T-junction, Nutbourne Vineyard is situated on your right.

4. Turn left at T-junction and in a short time left into Mill Lane. Follow road up a long fairly steep incline towards West Chiltington. Carry on past The Queen's Head up East Street and then take a right turn into Sinnocks. Soon after, turn right into Juggs Lane and then follow the road round to the right, past The Elephant & Castle on your left and into Church Street.

5. This brings you back to The Queen's Head junction, where you take a left and retrace your tracks down through 'The Hollow'. At the bottom, take a right turn into Stream Lane and follow along until the end. Take a left turn at the T-junction into Nutbourne Road. There is a slight incline and then a slight decline to bring you back to the junction with West Chiltington Road.

6. Turn right and follow road until the end where you will take a right turn onto the main Storrington to Pulborough road. You now follow the road straight back to the car park.
