

Floral Bouquets & Grave Maintenance Service

The Council is able to provide additional services at Hills and Roffey Cemeteries.

Floral Bouquets

We can offer a service to annually place a small bouquet of flowers on your loved one's memorial to remember special anniversaries. The actual flowers used in the floral arrangement will depend on the flowers in season at the time.

The service includes the removal of the bouquet after it has faded. As part of the service, we can for no additional cost, email a photograph of the bouquet placed on your loved one's memorial.

The cost of purchasing and placing each display is currently £60 + VAT.

Grave Maintenance Service

For relatives who are unable to maintain a loved one's grave, we can provide a service whereby on payment of an annual amount your grave will be looked after and you can be confident the grave will always be in a tidy condition.

The service will include an annual clean of the memorial together with treatment of weeds on and adjacent to the grave. As the grave settles, additional soil will be placed and the turf re-established.

The cost of the maintenance service is currently £60 + VAT per annum.

The Council's preferred method of payment for both services is by Direct Debit at the beginning of each calendar year. Initial payment in the first year is required at least 28 days prior to the service commencing.

Should you have any questions or require further information then please contact the cemeteries office on 01403 253191.
