DISCRETIONARY RATE RELIEF – APPLICATION FORM AND REQUEST FOR ACCOUNTS SECTION 49, HARDSHIP RELIEF

Section 49 of the Local Government Finance Act 1988 allows Councils to award discretionary relief to ratepayers suffering financial hardship, provided it is reasonable for the authority to do so, having regard to the interests of its Council Tax payers.

If you wish to apply for Section 49 hardship please complete and return the application form and return it to the address at the top of this page together with copies of your latest audited accounts.

No rate relief will be granted unless the Council receives these documents.

Given the financial pressures on the Councils budget, the amount of Discretionary relief, if previously granted, may not be sustainable at the same percentage, and you should be aware that these amounts may vary in the future.
