I am writing on behalf of Horsham District Council to let you know that the planning authority has approved the designation of Horsham Blueprint as a Neighbourhood Forum.

The Council are satisfied the body (Horsham Blueprint) meets the express purpose of promoting and improving the social, economic and environmental well-being of the area and is satisfied its membership is open to individuals who live, work and include an elected Member in the neighbourhood area.

Details of the designated Forum application can be viewed on the Council's website:

This letter will be placed on the Council's website. If you have a dedicated webpage for your Neighbourhood Development Plan, please send me the link so it can be included on our webpage.

In due course this letter will be required for the independent examiner.
