### Billingshurst Neighbourhood Development Plan

*In light of recent announcements regarding COVID-19, Horsham District Council to reviewed its protocols regarding the consultation process for neighbourhood plans, a number of which were published for public consultation shortly before the government imposed the nationwide lockdown.*

*In order to continue to progress neighbourhood plans, we have made a decision to continue with the consultation process with measures we feel are in accordance to the government guidelines.*

Billingshurst Parish Council has prepared a Neighbourhood Development Plan (BNP). The Plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally. **Please give details of your reasons for support/opposition, or make other comments here:**

Billinghurst needs all the open spaces it can get, especially within the housed areas, for numerous reasons, mental health, play, recreation, wildlife and many others.

Building on these local green spaces achieves precious little in terms of housing, it is preferable (just) to add these very small numbers to the existing ongoing developments.

I support all of the Local Green Spaces on the plan especially the one in Maple Road which has been identified as an amenity area and has been used as such for 50 years.

The area fronting nos. 42-52 Broomfield Drive should also be added to the plan.

**What improvements or modifications would you suggest?**
