

Sunny Bank, Henfield

The White House, Amberley

Withyfield Cottage, Bines Green, Horsham

Lower Lodge, Horsham

The Annexe, Horsham

Individual new homes are one of Sussex Building Control's favourite projects. These distinct properties tend to be designed and built to a very high specification using new, innovative materials and methods of construction and the latest sustainable features.

These schemes are great to work on because they provide the building control team with a real challenge in applying the regulations in a way that meets homeowners' aspirations yet still complies with legislation.
