Assessment of Potential Sites for Gypsies, Travellers and Travelling Showpeople - Site Proforma 2019

Background

Horsham District Council is seeking information on potential sites for future use by Gypsies, Travellers and Travelling Showpeople.

The Council plans to allocate sites in the next iteration of the Local Plan to meet the needs of the Gypsies, Travellers and Travelling Showpeople community into the future.

Please complete one site proforma for each site which you would like to be considered for allocation for future Gypsy, Traveller or Travelling Showpeople use.

Definitions:
Gypsy and Traveller sites - Sites can vary in size, although they should be at least large enough to accommodate one pitch. A pitch is an area of land where a Gypsy or Traveller household can reside; typically this may contain a building, parking space and one or more caravans with sufficient space to enable the easy manoeuvrability of caravans up to 20 metres in length. The site must be accessible by vehicles and be served, or be capable of being served, with water, electricity, drainage and sanitation.

Travelling Showpeople sites - Sites normally accommodate both residential and business uses, including the storage and repair of fairground equipment. Larger sites are often subdivided into individual family ‘plots’ or ‘yards’. The site must be accessible by large vehicles and be served, or be capable of being served, with water, electricity, drainage and sanitation.

Please be aware that the submitted details cannot be treated as confidential.

Section 6 - Gypsy and Traveller pitches or Travelling Showpeople plots

Based on your assessment:

25. How many Gypsy and Traveller pitches* or Travelling Showpeople plots* do you believe the site could accommodate?

The Site could accommodate up to 15 Gypsy, Travellers or Travelling Showpeople pitches. This has been calculated using the DCLG Guidance note: Designing Gypsy and Traveller Sites Good Practice Guide (May 2008). Whilst this has been withdrawn, it provides a useful starting point in terms of the sizing of each pitch which are proposed to extend to 750m².

*See introduction for definitions.
Section 7 – Additional Information

26. *Please provide any additional information below.*

If there is a need demonstrated for Gypsy, Travellers or Travelling Showpeople pitches, 15 pitches could be delivered as an integral part of the comprehensive development of land west of Ifield for 3,250 dwellings in the form of a new neighbourhood being promoted by Homes England.

The neighbourhood development will also provide for health care services, schools, a mixed-use local centre, commercial space and social facilities (all within a reasonable walking distance), open space and a country park, flood alleviation measures and other infrastructure.

Thank you for this information. Please return your completed pro-forma, preferably by email, to reach Horsham District Council, by 5pm Friday 30 August 2019
