You must provide an answer to this question.

Southwater has enough new houses.

It is important to keep all sports areas and not develop them further.

The proposed development of the golf club closure of 9 holes would wreck a state of the art golf course. It would also bring almost 600 homes to an area that is already short of the basics such as schools, medical facilities, transport infrastructure.

Also, the road from the park and ride up to Denne park drive is too small and quite dangerous already.

The proposal also recommends another floodlight sports pitch adjacent to Denne park drive.  
There are already a full size and half size pitch on the other side at HFC.

**What improvements or modifications would you suggest?**

You must provide an answer to this question.

I would recommend improving what we have already with schools, doctors, pubs , buses etc and then worry about building more.

5

**Do you wish to be notified of the local planning authority's decision under Regulation 19 of the Neighbourhood Plan (General) Regulations 2012 in relation to the Southwater Neighbourhood Development Plan?**

You must provide an answer to this question.

Yes

No
