(I don't know how to tick the boxes - my software doesn't seem to tick. Also I can't see how to put in a "policy reference")

I OPPOSE the application for developing 500 houses on the golf course adjacent to Denne Park. I FULLY SUPPORT the Neighbourhood Plan and in particular the contents of SNP7.

The applicants have proposed that 500 houses can be developed on half the 18-hole main golf course and the golf course will continue to function as a "golf academy". This may sound fine to people who don't play golf but most of we golfers are not interested in academies (other than they help inspire young people to take up the game, and that's a good thing); we are interested in playing golf on a full size internationally recognized 18 hole golf course. Furthermore, there is nothing to stop a golf club from having an academy with a full size 18 hole golf course - in fact it is much better that young people learn to play on a full size course. There are courses that have only 9 holes and the idea is that you go around twice for a full game of 18 holes, but for most golfers it falls short of the real thing.

I can't tick the box below, but you can let me know if and when the Plan has been ratified
