3. Set out below is a summary of the issues raised in the representations. The Horsham District Council Representation can be seen in full on our website by following this link: <https://www.horsham.gov.uk/planning/neighbourhood-planning/horsham-town-un-parished-area>

Ref.	Name/ Organisation	Summary of representation
1	Sport England	Comment. New development should be supported by access to adequate sports provision. Sport England advocate positive planning for sport, protection from the unnecessary loss of sports facilities, along with an integrated approach to providing new housing and employment land with community facilities is important.
2	ECE Planning	Comment. Representations made on behalf of the Plymouth Brethren Christian Church which is long established in the Horsham area. Horsham Blueprint should ensure the delivery and availability of a range of social infrastructure, including <i>places of worship</i> . In relation to the <i>need for Gospel Halls</i> , during the plan period it is expected that congregation numbers will increase and there is already a backlog of provision for places of worship.
3	Resident	Support is given to the plan and the hard work that went into producing the document.

4	North Horsham PC	Support is given to the plan and in particular the following polices: Policy 5 Housing; Policy 6 Character, Environment and Greenscape, Policy 9 Transport and Movement; and Policy Community Facilities.
5	Warnham Parish Council	Support is given to the plan and in particular to policies relating to Transport and Movement mitigating against any additional burden from new development within Horsham town which may impact on local roads within Warnham Parish.
6	Rudgwick Parish Council	No comment.
7	Henry Adams	Land off Athelstan Way – support is given to the promotion of this parcel of land for development to accommodate 60 dwellings.
8	Horsham District (Estates)	Comment on the parcel of land on Cricketfield Road owned by HDC Estates. Land may be released off to fund maintaining the high cost of local infrastructure and local buildings occupying the site.
9	Resident	General support of the plan and the community planners who worked on it.
10	Resident	Object to the list of sites that have been designated as Local Green Space (LGS) in the Neighbourhood Plan and did not include Muggeridge Field (Site F24) and should have been designated as a Local Green Space. The assessment did not fairly reflect community views.
11	Resident	Comment. No development on the Rookwood site
12	Resident	Objection The description for Muggeridge Field in the Green Spaces Review document needs to be changed to give a fair and accurate representation of the site and should be designated as a Local Green Space.
13	West Sussex County Council	The reference to WSCC Parking Standards should be amended to WSCC Parking <i>Guidance</i> .
14	Future Planning and Dev	Support the plan with modifications. Promotion of Hornbrook Farm as a development site.
15	Historic England	General support. Several policies and modifications were supported which contributes to the protection of local heritage assets within the neighbourhood plan area.
16	Horsham District Council	Support and comment. There is an opportunity for a full or partial review of the Horsham Blueprint Neighbourhood Plan once the Local Plan Review has been through the legislative process and is suitably mature to provide the certainty for local groups to embark on a review of individual plans. Acknowledgement that Horsham town is the largest settlement in the district and therefore is considered to be a sustainable location for development.
