Subject: Southwater Neighbourhood Plan

Dear Norman,

Following our consultation response for the Reg 16 Southwater Neighbourhood Plan (attached), further work has been undertaken between ourselves and the promoters of the site regarding the Highway Capacity Assessment for the proposed housing allocation.

I can confirm that an agreement has been reached with the transport consultants on the measures necessary to mitigate the Plan's proposed allocation of 450 dwellings. Therefore, please accept this email as a formal withdrawal of our objection to the Plan on highway grounds.

If you have any queries please feel free to contact me.

Kind regards,
