My wife and I joined Horsham Oaks 18 hole golf course 2 1/2 years ago when West Chilmington G.C. closed.

Our objections are:

1. Why build now after creating a new course? Was it to circumvent planning restrictions for sports amenity land then switch to high density housing?
2. Surely the golf course maintains the essential gap between Horsham and Southwater.
3. The course is already a venue for prestigious golf tournaments.
4. The high density of housing proposed is a danger so close to a golf course, likewise cycle/bridle paths, hockey and football pitches.
5. Where is the proposed site for a replacement golf course?
6. We received just 10 days notice of this proposal as did all golf club members!?!

**What improvements or modifications would you suggest?**

Maintain the Oaks 18 hole golf course  
as a valuable leisure amenity for  
Hoarham residents
