Billingshurst Neighbourhood Plan 2019-2031

The Neighbourhood Planning (General) Regulations 2012 (as amended) - Regulation 16

Billingshurst Neighbourhood Development Plan

In light of recent announcements regarding COVID-19, Horsham District Council to reviewed its protocols regarding the consultation process for neighbourhood plans, a number of which were published for public consultation shortly before the government imposed the nationwide lockdown.

In order to continue to progress neighbourhood plans, we have made a decision to continue with the consultation process with measures we feel are in accordance to the government guidelines.

Billingshurst Parish Council has prepared a Neighbourhood Development Plan (BNP). The Plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally. In accordance with Regulation 16 of the Neighbourhood Planning Regulations 2012 (as amended), the BNP and associated documents will go out to consultation:

Wednesday 17 June to Wednesday 12 August 2020 for 8 weeks inviting representations on the draft submission plan, basic conditions statement, consultation statement and the Strategic Environmental Assessment (SEA) screening opinion. Supporting Background Papers are for information purposes only.

Copies of the BNP Neighbourhood Plan and supporting documents are available to view on the Horsham District Council's website:

Whilst I support the entirety of the Billingshurst Neighbourhood Plan, I would particularly like to address Section 2.2 of the Neighbourhood Plan Objectives and Section 9 (point 9.1 to 9.4 inclusive) on the Environment.

Both sections refer to the need to protect the Local Green Spaces throughout the village of Billingshurst.

The new development (Amblehurst Green) has been and is being built with significant areas of local green space and it is, therefore, imperative that the existing housing estates throughout the village have their local green spaces protected through the designation that the Billingshurst Neighbourhood Plan intends to provide to them.

As a resident of Maple Road, I, obviously, stress the need for designating the Maple Road Green (identified as item 13 on the Plan) as a Local Green Space. Given the proximity of the green space at the bottom of Broomfield Drive (South – item 14 on the Plan), I fully support this area being designated as a Local Green Space.

I would ask that consideration be given to including the green spaces part way along Broomfield Drive (between numbers 42 & 54, where a majestic Willow tree is located) and also at the top (North) end of Broomfield drive.

What improvements or modifications would you suggest?
