

APPLICATION FOR THE GRANT OF A PAVEMENT LICENCE (NEW & RENEWALS)

The Business and Planning Act 2020 (Pavement Licence)

Please complete all sections of the application form and provide the required documents as detailed within the checklist at the end of this form.

If this application is submitted and is incomplete and/or documents are not provided or have expired, then your application will be rejected and returned to you.

The Council is not responsible for any delays in renewing the licence caused by the late or incomplete submission of any renewal application or none payment of correct fees.

The grant of a pavement licence on its own does not allow you to trade. You must apply for the following activities separately if applicable to your business:

- a premises licence if you're selling alcohol
- a club premises certificate if you're supplying alcohol
- a street trading consent if you're selling items in the street. This includes selling food or drink

If you have any questions relating to the application process or requirements, please refer to the Council's Licensing Policy (available at www.horsham.gov.uk). Alternatively please contact the Licensing Team directly via Licensing@Horsham.gov.uk
