HORSHAM DISTRICT COUNCIL

Interim Review of Polling Districts and Polling Places

Horsham District Council is conducting an interim review of polling districts and polling places in accordance with the Representation of the People Act 1983 (as amended by The Electoral Registration and Administration Act 2013), following changes to a number of parish boundaries as the result of the Community Governance Review.

The purpose of the review is to seek to ensure that:

- Polling district boundaries accurately reflect the new parish arrangements.
- Polling places remain convenient for electors within the affected areas.
- Polling stations continue to be accessible to all voters, including those with disabilities.
- Suitable alternative venues are identified where necessary.

The Council's proposals will be available for inspection on its website www.horsham.gov.uk or at the Council's Offices, Albery House, Springfield Road, Horsham, West Sussex, RH12 2GB from 13 November 2026. The (Acting) Returning Officer's comments on the proposals will be available for inspection in the same locations.

The Council welcomes representations or comments on the existing provision of polling places and suggestions for alternative buildings that may be used as polling places from any elector within the Horsham District, or any person or body with expertise in access for persons with any type of disability. Please respond by sending an email to elections@horsham.gov.uk or by writing to the address below.

All responses must be received by 11 December 2026. We are required to publish all responses received on the Council's website and to make printed copies available for public inspection. Following consultation, the Electoral Registration Officer will consider all representations received and publish the outcome of the review, including the polling districts and polling places that will apply following implementation of the Community Governance Review.

Jane Eaton
Electoral Registration Officer
