Please give details of your reasons for support/opposition, or make other comments here:

The golf course should not be reduced to 9 holes - because it will reduce the number of players able to play at any one time.

The whole course is home to large numbers of wild life ie rabbits, Deers, Buzzards ~~and~~ weasles, Stoats, slow worms. etc

Housing would possible remove all the above from the area because of continuous human noise & activity

What improvements or modifications would you suggest?

We should utilise the existing complex
(Golf & fitness) to encourage more sport
ie. Tennis, bowls,
The club should encourage youngsters to
take part in the above activities.

(Continue on separate sheet if necessary)
