

**Ref 9 Historic England
Shipley Neighbourhood Plan**

To whom it may concern:

Thank you for consulting Historic England on the submission version of the Shipley Neighbourhood Plan. Historic England's remit is for the historic environment, including advising on the conservation of heritage assets and championing good design in historic places. As such our comments on the neighbourhood plan relate to those areas that we consider fall within our remit.

I am pleased to confirm that we do not have any objections to the plan's proposals and have no matters to raise for the examiner's attention.

We thank you for consulting Historic England on this plan and look forward to seeing its progress through examination.

Yours faithfully
