Ashington Neighbourhood Plan 2019-2031

The Neighbourhood Planning (General) Regulations 2012 (as amended) - Regulation 16

Ashington Neighbourhood Development Plan

In light of recent announcements regarding COVID-19 Horsham District Council has reviewed its protocols regarding the consultation process for neighbourhood plans, a number of which were published for public consultation shortly before the government imposed the nationwide lockdown.

In order to continue to progress neighbourhood plans, we have made a decision to restart with the consultation process with measures we feel are in accordance to the government guidelines.

Ashington Parish Council has prepared a Neighbourhood Development Plan (ANP). The Plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally. In accordance with Regulation 16 of the Neighbourhood Planning Regulations 2012 (as amended), the ANP and associated documents will go out to consultation:

Wednesday 17 June to Wednesday 12 August 2020 for 8 weeks inviting representations on the draft submission plan, basic conditions statement, consultation statement and the full Strategic Environmental Assessment (SEA).

Copies of the ANP Neighbourhood Plan and supporting documents are available to view on the Horsham District Council's website:

<https://www.horsham.gov.uk/planningpolicy/planning-policy/currentconsultations>

Documents will not be made available in deposit locations due to the current COVID-19 pandemic. If local residents have difficulty in engaging online we have provided a telephone number and email address below. Members of the public are encouraged to leave their details for an officer to contact them back if they need further information.

I object to the Ashington Neighbourhood plan, I think their proposed sites are ridiculous.

1. Its Main access would be past our grade 2 listed church
2. The Roads leading to these sites are not big enough for the increase in traffic once completed but all the Machinery needed to build at sites 5 & 6.
3. The possible damage to our church from the large Vehicles needed to build such a large site.
4. Blocking in the school so it can not expand, what about the current residents of the Village that are no longer going to be able to get their children into Ashington as all the New houses will be nearer.
5. The increase of general traffic through The Village.
6. What are they proposing to bring to the Village as an asset? No talk of anything for our current community.

What improvements or modifications would you suggest?

Not using this current Neighbourhood plan and using the land North of Ashington Accessed from the B2133 Billingshurst Rd.

- Positives:
1. Larger More Suitable Road, which is a 30MPH Road the increase in traffic once completed will affect the Village Minimally.
 2. Brilliant access out of the Village onto the A04
 3. Close to Ammenties
 4. Planned on Bringing Access to the Village from the information and plans previously published
 5. good Footpath links to the "HEART OF THE VILLAGE" to walk to the School and Community Center, and avoiding the billingshurst Road.
 6. LESS Disruptive to the Village all together
 7. Will include the House along the billingshurst Road into Ashington and make it feel more a part of the Village
 8. It will be less visually intrusive and will keep the Village

feel, that Ashington currently has.
