Mr. Norman Kwan  
Horsham District Council  
Parkside, Chart Way  
Horsham  
RH12 1RL

Dear Norman,

**SDNPA response to Bramber Submission (Regulation 16) Neighbourhood Development Plan**

Please find attached the SDNPA response to the Regulation 16 consultation on the Bramber Neighbourhood Development Plan Submission version.

SDNPA congratulates Bramber Parish Council on having prepared a robust and locally distinctive plan for their community. The Bramber Neighbourhood Development Plan (BNDP) has been developed in a relatively short space of time reflecting the commitment and determination of the Parish Council and those involved to progress to the current stage.

The comments are not matters which relate to the basic conditions for the purposes of a successful examination of a Neighbourhood Development Plan. However, the comments do identify opportunities to make improvements to the Bramber Neighbourhood Development Plan.

Please contact me if there are any issues in relation to the response you would like to discuss or any other matters relating to the Examination.

Yours sincerely
