**Please give details of your reasons for support/opposition, or make other comments here:**

**Both my sons play football for Billingshurst youth teams, which this season prior to corona virus was completely ruined due to constant bad weather meaning waterlogged pitches at Jubilee Fields, so they barely played any matches all season. The only matches that were able to proceed were away matches played on other teams 4G pitches.**

**What improvements or modifications would you suggest?**

**Billingshurst football club is a big one with both adult and youth sides so 4G pitches are now a necessity to ensure their seasons can played without postponements due to wet weather. For a large village this should be looked at favourably and added to plans for 2020.**

**Their practice sessions were also affected by poor drainage on the Astro turf pitch by the Weald and Billingshurst leisure centre. The astro turf is well overdue needing to be replaced too.**
