

Ref 21 UK Power Networks

Dear neighbourhood planning team,

Thank you for sharing with us your neighbourhood plan for Billingshurst. At this stage we do not foresee an impact on our assets. We have seen your recommendation for future housing proposals to include provision for electric vehicle charging and electric heating. If and when you see the need for a new connection or connection upgrade, please do not hesitate to contact our connection department on: MBX-Connections Gateway
<Connections.Gateway@ukpowernetworks.co.uk>

Many thanks,

[REDACTED]
