<p>This plan has been well thought out and has taken 10 years to produce. The developments within the plan have been given a great deal of consideration and the Smock Alley development is the site with a wide enough road for two cars to pass, the wildlife is limited [REDACTED]. There is a wood adjoining the site which will be kept for wildlife and the community.</p> <p>It is within walking distance of the village shop, but like most houses in the village part of the walk would be on a narrow lane, but this is normal for a village.</p> <p>I totally support this plan</p>

**What improvements or modifications would you suggest?**

**None**
