Dear Mr Kwan

I am writing to formally advise you that, at Ashurst's last full Parish Council Meeting on 7th September, it was unanimously decided that Ashurst should withdraw from the SWAB Neighbourhood Plan Cluster.

As you have advised, the recent decision of Wiston Parish to withdraw from the SWAB Cluster means that the SWAB Neighbourhood Plan Area now needs to be re-designated. This was the catalyst for Ashurst Parish to consider its own position. While Steyning and Bramber still have work to do on their Housing, in particular, this is not the case with Ashurst, where no further Housing assessments are required.

All things considered, Ashurst Parish Council felt that the best course of action was to withdraw from the Cluster. The question of whether or not Ashurst should pursue its own Neighbourhood Plan will be addressed in the near future.

We will keep you updated with any developments. In the meantime, we would like to thank you for the advice and support you have extended to Ashurst Parish Council over the last few months.

Yours sincerely

Elizabeth Leggo

Clerk of Ashurst Parish Council.
