Billingshurst Neighbourhood Plan 2019-2031

The Neighbourhood Planning (General) Regulations 2012 (as amended) - Regulation 16

Billingshurst Neighbourhood Development Plan

In light of recent announcements regarding COVID-19, Horsham District Council to reviewed its protocols regarding the consultation process for neighbourhood plans, a number of which were published for public consultation shortly before the government imposed the nationwide lockdown.

In order to continue to progress neighbourhood plans, we have made a decision to continue with the consultation process with measures we feel are in accordance to the government guidelines.

Billingshurst Parish Council has prepared a Neighbourhood Development Plan (BNP). The Plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally. In accordance with Regulation 16 of the Neighbourhood Planning Regulations 2012 (as amended), the BNP and associated documents will go out to consultation:

Wednesday 17 June to Wednesday 12 August 2020 for 8 weeks inviting representations on the draft submission plan, basic conditions statement, consultation statement and the Strategic Environmental Assessment (SEA) screening opinion. Supporting Background Papers are for information purposes only.

Copies of the BNP Neighbourhood Plan and supporting documents are available to view on the Horsham District Council's website:

<https://www.horsham.gov.uk/planningpolicy/planning-policy/currentconsultations>

Documents will not be made available in deposit locations due to the current COVID-19 pandemic. If local residents have difficulty in engaging online we have provided a telephone number and email address below. Members of the public are encouraged to leave their details for an officer to contact them back if they need further information.

We strongly support the designation of Maple Road Green as a Local Green Space, together with other Local Green Spaces in Billingshurst.

Maple Road Green has been an open, undeveloped area since the Maple Road/Broomfield Drive estate was built around 50 years ago and it has been much appreciated by residents throughout this period. We believe it should remain as a green space as it is an amenity used for recreation and quiet enjoyment by local people. It also forms a safe play area for local children and is an attractive amenity in its own right.

New housing currently being built to the east of Billingshurst appears to have similar green spaces included in the estate layout. It is important therefore that existing green spaces in the village remain undeveloped to ensure that the character of areas such as Maple Road/Broomfield Drive is not made less attractive.

What improvements or modifications would you suggest?
