

Wellbeing Walks Programme

We will be adding more April walks in after 17th March

Free, sociable, family friendly walks led by volunteers. No need to book, just turn-up.

Please read the walk descriptions carefully and choose walks appropriate for your health and fitness level

Our guided walks are split into two categories:

- **Level 1 walks** Under 1.5 hours over easy terrain and aimed at beginners and those with long term health conditions.
- **Level 2 and 3 walks** Longer, more strenuous and may include hills and stiles.

Important Information

- A volunteer walk leader will be at the start of the walk whatever the weather unless it is unsafe for them to travel
- We reserve the right to change or cancel a walk without notice
- If a walk is cancelled at the last minute we will endeavour to update the online programme
- If you are unsure if a walk is going ahead please contact the walk leader and check the website
- Please wear suitable clothing and footwear
- Children under 16 must be accompanied by an adult
- Vehicles are parked at owners' risks and parking charges may apply
- We expect walk leaders to be treated with respect at all times
- Please read the walk description before planning your walk so that you can choose a walk that is appropriate for your current fitness level. We would recommend starting with a Level 1 walk to see how you get on.

If you would like to become a volunteer walk leader please contact the Walks Coordinator

Guidelines for Dog Owners

Dogs are welcome on some walks. Walk leaders are responsible for the safety of walkers and may offer advice or request removal of the dog from the walk if it causes a nuisance. Please:

- Ensure your dog does not run back and forth through a line of walkers
- Clear up after your dog and remember dogs may need a drink of water
- You should consider putting your dog on a lead to ensure you can stay 2 metres away from others
- Keep dogs on a lead in a field of sheep, if you encounter cattle and they come towards you, let the dog go as they see dogs as a threat to them and their calves

Men – We're talking to you !

Walk – It's good for you, your mental health and your physical health !

Talk – Because there is more evidence to support talking over isolation !

Traditionally, men often avoid seeking support but we can change this, by providing that support in a more accessible and easy way.

Together, we want to reduce the number of male suicides, we want to provide a community of support for guys to know they are not alone and they can speak up.

Join Matt for our **Horsham walk and talk***. Meet at the end of the Causeway/entrance to St Mary's church. (what three words - ///stays.script.ruled) Finishing at Esquire's coffee shop. (what three words - ///crop.grades.admits)

Walks – every other Saturday, 10-11am You can view the schedule [here](https://menwalktalk.co.uk/walks) on the MenWalkTalk website:
