

Response to Southwater Neighbourhood Plan – Regulation 16 Consultation

Thank you for the opportunity to comment on the Southwater Neighbourhood Plan.

Henfield Parish Council consider your Neighbourhood Plan to be fit for purpose and we have no adverse comment to make. We should however like to endorse the following policies:

SNP1.3. addressing the issue of coalescence of settlements with each other or Horsham Town.

SNP3.1. safeguarded for the provision of land for a new secondary school until 2031; to meet the growing demand for school places within the Plan Area.

SNP10.1. insisting all new residential units meet the *'Technical housing standards – nationally described space standard'* for minimum room sizes; set by Central Government.
