

CHAPTER 4: Neighbourhood Planning

Chapter 4: Neighbourhood Planning

- 4.1 Neighbourhood planning, introduced through the Localism Act 2011, enables communities to prepare Neighbourhood Development Plans (NDPs). These plans allow communities to create a vision and planning policies for the use and development of land in their area. Once a neighbourhood plan area is designated, Horsham District Council is required to provide support and advice to those bodies producing a NDP.
- 4.2 Horsham District Council continues to provide technical support and officer time to groups preparing neighbourhood plans. In addition, a number of resources are available on the Council's website¹.
- 4.3 Horsham District Council (HDC) and the South Downs National Park Authority (SDNPA) have agreed a joint protocol on how they will work together on neighbourhood planning where parishes have land within and outside the National Park. In total, there are 29 parishes in Horsham District where Horsham District Council is the lead authority for the purposes of neighbourhood planning, not including the unparished part of Horsham town. The South Downs National Park is the lead authority for Amberley, Coldwaltham or Parham parishes, as these Parishes are wholly within the South Downs National Park. This report does not therefore report on the preparation of these plans.
- 4.4 As of 30 November 2023, 24 Parishes were designated as Neighbourhood Plan Areas, including Horsham town's unparished Neighbourhood Councils (Trafalgar, Forest and Denne) which have been designated as a Neighbourhood Forum known as the Horsham Blueprint. This equates to 83% coverage to date. Following the decision of Steyning, Ashurst and Wiston and Bramber Parishes to de-cluster, Steyning and Bramber have since gone on to develop their own individual plans.
- 4.5 Table 1 (NP) below sets out the stage each NDP has reached in the preparation of its Neighbourhood Plan and includes information as to the date of 'Designation' and its Regulation 16 consultation. As of December 2023, nineteen plans have been "made". These are: Ashington, Billingshurst, Bramber, Henfield, Horsham Blueprint, Nuthurst, Rudgwick, Rusper, Shermanbury and Wineham, Shipley, Slinfold, Southwater, Steyning, Storrington, Sullington, and Washington, Thakeham, Upper Beeding, Warnham, West Grinstead, Woodmancote.

- 4.6 A further four plans were scheduled to proceed to referendum (Cowfold, Itchingfield, Lower Beeding, Pulborough) however due to the issue of Water Neutrality the referenda have been delayed. West Chilmington Neighbourhood Plan will proceed to a Regulation 16 consultation, once a wider strategic solution for water neutrality is resolved.
