### **Examination of the Horsham Local Plan 2023-2040**

Dear Ms Childs,

1. I refer to your letter dated 18 August 2025 (HDC43) which was written in response to my letter of 4 April 2025 (ID08) in relation to my Examination of the Horsham Local Plan 2023-2040 (SD01).
2. Having read your letter, it appears that you now wish for me to take into account some previously undisclosed evidence, in the form of officers' draft notes, which you indicate may be relevant to my determination concerning whether the Duty to Cooperate has been met. It is not clear to me why these notes were not provided as part of my original request for evidence, and they have not been provided with your latest letter.
3. To allow me to fully respond to your letter, I therefore request that you submit to me, the new evidence referenced, via the Programme Officer for my consideration. I will then arrange for it to be added to the Examination Website. I will write again once I have had the opportunity to read this new evidence and considered its implications for the conclusions drawn in my Interim Findings Letter (ID08).
4. I do not require a response to this letter from representors at this time.

*L Fleming*
