I wish to support the proposal to ensure the designated sporting areas are maintained for future generations. I'm aware that there exists a consultation document proposed by Horsham Golf club and a housing developer for closing of 9 holes on the golf course and building up to 550 dwellings. I notice this is not referenced in your plan so can only assume it has not been discussed as part of this iteration of the Southwater plan.

The loss of any amenity land must be opposed but particularly areas that border currently undeveloped space. My view is that if the proposal to build on part of the Horsham Golf land is approved then all the land north and east of the A24 and south of the railway line bordering Horsham would see planning applications proliferate.

What improvements or modifications would you suggest?

You must provide an answer to this question.

Ensure that the formal/informal sports areas continue to be protected when producing later iterations of this document

5

Do you wish to be notified of the local planning authority's decision under Regulation 19 of the Neighbourhood Plan (General) Regulations 2012 in relation to the Southwater Neighbourhood Development Plan?
