Please give details of your reasons for support/opposition, or make other comments here:

- 1) This project will increase interest in local investment, provide new employment opportunities & makes use of an existing brown field site.
- 2) It would also allow new or young local businesses to expand into decent work spaces. & widens the opportunities for us to supply local trades & customers.
- 3) Finally I feel it would assist in reducing the average age of the districts commercial sites & provide the area with an acceptable fibre optic connections.
