Describe the steps you intend to take to promote the four licensing objectives:

a) **General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

The school is looking to host a variety of events, such as school plays, dance performances, sports games, and fundraising events. We intend to operate safely and plan events within the school site while also allowing the use of our public hire spaces. The school is committed to supporting the local community and working to provide a safe and friendly environment.

The school operates an extensive CCTV system comprising 143 cameras, with a full, detailed map attached. All footage is retained for 14 days. Each feed is date- and time-stamped, and the system is checked weekly by the team to ensure it is fully operational.

#### **b) The prevention of crime and disorder**

The school site is well covered by an extensive CCTV network, which is GDPR-compliant and stores footage for 14 days. Where a risk assessment identifies a need for additional measures, events may also be supported by SIA-licensed security to help prevent crime and disorder. All event staff will be briefed on how to handle any issues that may arise, and we will operate a strict Challenge 25 policy when selling alcohol to identify any underage attempts to purchase alcohol.

#### **c) Public safety**

All venues are fully risk-assessed for safe capacity limits and have clearly marked fire exits and fire safety systems in place, including emergency lighting and clearly defined exit routes. All events hosted by the school will have at least one first-aid-trained member of staff, and when a risk assessment identifies a need, additional medical cover will be provided to meet the requirements of the event and the public. The venues will be kept clean and will comply with all health and safety regulations at all times. As this is a school site, site safety is a top priority.

#### **d) The prevention of public nuisance**

We will actively manage noise and general nuisance at all of our events. When a risk assessment identifies a need, we will implement a noise management plan for events that may cause sound to travel into the local community. Doors and windows will be kept closed during indoor events as much as possible to reduce sound transmission. The school is set back from nearby properties and has extensive grounds surrounding the venue, helping to keep noise to a minimum.

The school has waste management plans in place, including a large bin store and over 40 bins for outdoor events. When required, a team will be on hand to manage litter around the site and during events.

#### **e) The protection of children from harm**

We are committed to safeguarding children around the school site. We will always have a number of staff who are safeguarding-trained at school events and operate a strict Challenge 25 policy when selling alcohol. When a risk assessment identifies a need, we will also have medical and first-aid staff at events, providing a point of safety for lost children. At our larger events, we have a lost children policy that includes a full lockdown of all entrances and exits. In addition, the school has an extensive CCTV network, allowing us to quickly locate and track a missing child.
