HORSHAM DISTRICT COUNCIL

#### Ashington Neighbourhood Development Plan

*In light of recent announcements regarding COVID-19 Horsham District Council has reviewed its protocols regarding the consultation process for neighbourhood plans, a number of which were published for public consultation shortly before the government imposed the nationwide lockdown.*

*In order to continue to progress neighbourhood plans, we have made a decision to restart with the consultation process with measures we feel are in accordance to the government guidelines.*

Ashington Parish Council has prepared a Neighbourhood Development Plan (ANP). The Plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally. In accordance with Regulation 16 of the Neighbourhood Planning Regulations 2012 (as amended), the ANP and associated documents will go out to consultation:

**Wednesday 17 June to Wednesday 12 August 2020** for 8 weeks inviting representations on the draft submission plan, basic conditions statement, consultation statement and the full Strategic Environmental Assessment (SEA).

Copies of the ANP Neighbourhood Plan and supporting documents are available to view on the Horsham District Council's website:

I do not consider that Ashington is well equipped to accommodate this increase in the population. These properties are well away from our main facilities. The co-op, pub and takeaway/Indian. So the residents will drive to get to all. Our Co-op is too small and doesn't have adequate car parking for the increased customers. This will destroy the peaceful atmosphere of the village which many of us moved here for. Is the primary school big enough to accommodate the extra children? I suggest Ashington is nearly full.

What improvements or modifications would you suggest?

No more than 50 new houses seems more sensible if we must have more houses.
