To Whom it Concerns,

With reference to the proposed West of Ifield Local Plan allocation, I am writing to confirm that Sport England together with England Golf have been engaging with Homes England to consider the impact of the proposal on Ifield Golf Course and local golf provision and the need for any necessary mitigation in the context of paragraph 99 of the National Planning Policy Framework 2021 in the round.

While no conclusions have been reached at this time, we are continuing this conversation and are confident that an agreed way forward will be reached in due course.

If you require any clarification or additional information, please do not hesitate to contact me.

Yours Faithfully,

Jo Edwards MRTPI
