I support the designated Local Green Spaces in Billingshurst, in particular

13. Maple Road Green.

Given that Billingshurst has had considerable additional housing over the last few years, these small, local green spaces are essential for the welfare of people, & children playing, for wildlife, and general wellbeing. These spaces should be protected and not built on.

What improvements or modifications would you suggest?

I suggest that the green in Broomfield Drive (nos. 42-52) should be included in the plan as a local green space.
