

APPENDIX A Ward Profiles

The following profiles were created by Horsham District Council, based on data gathered in the 2011 Census. At this time, the current Blueprint Neighbourhood Area also incorporated the defunct Horsham Park Ward. Additionally, part of the Holbrook West ward was also included within the current Denne Neighbourhood Council area. Since 2011 there has been no full population count that has taken account of the revised boundaries, therefore it is difficult to provide exact figures. The following profiles seek to provide as fuller picture as possible:

Forest Ward

Trafalgar Ward

Horsham
District
Council

Key Census Statistics

84.5% people with
very good or good
health - above
national average

APPENDIX B Potential new and expanded Conservation Areas

As part of the work on the Neighbourhood Plan, it has been suggested that the existing Conservation Areas might expand in the future and additional Conservation Areas be added.

Whilst this is not something that could be taken forward through a Neighbourhood Plan policy, it is an aspiration that is recorded in Section 13 of this Plan to be addressed by the Neighbourhood Councils and the Horsham Society in partnership with Horsham District Council and Historic England.

The Horsham Society has begun to identify potential expanded or new Conservation Areas. Whilst this is not included as a policy in the Neighbourhood Plan (as it is beyond the scope of the Plan), the identification and designation of additional Conservations is listed as a project in Section 13. The following maps and descriptions provide the basis for that work:

New Street Conservation Area

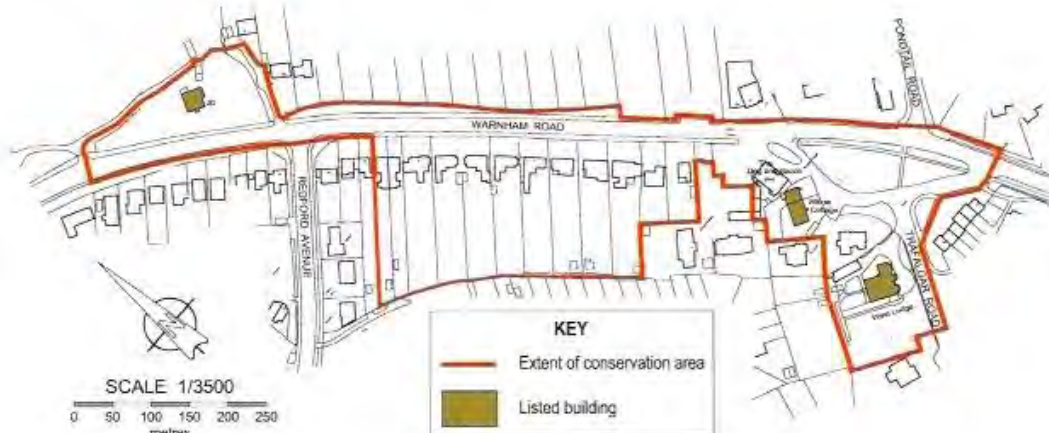

This proposed Conservation Area has been identified in the AECOM Heritage and Culture Assessment. It should be noted that it partially overlaps with the proposed North Street Conservation Area below. This area is included in Figure 6.2 in the Neighbourhood Plan as a Character Area.

North Street Conservation Area

Warnham Road Conservation Area

APPENDIX C Local Green Spaces

The following 23 sites are designated as Local Green Spaces and the tables below detail how each meets the criteria set out in the National Planning Policy Framework, along with maps and photographs.

Information on how the sites were selected is contained in the Local Green Spaces Review, which forms part of the Evidence Base for the Neighbourhood Plan. The reference number in brackets against each Local Green Space refers to the numbering in the evidence base report.

DENNE

1. The Needles Recreation Ground (D8)
2. Tanbridge Park amenity area (D11)
3. Sports Ground, Cricketfield Road (D13)
4. Remembrance Gardens and Mill Bay (D14)
5. Denne Road open space (D17)
6. Communal space within Hills Place retirement complex (D32)
7. Fenhurst Close Community Garden (D33)

DENNE

Name and address	Description/purpose/ quality
<p>1. The Needles Recreation Ground</p> <p>Hills Farm Lane j/w Blackbridge Lane</p> <p>REF: D8</p>	<p>A popular recreation ground located adjacent to housing, sheltered accommodation and a nursery school. The site is owned and maintained by Horsham District Council and has football pitches, a playground and recreational facilities. The site is felt to be important geographically, as it serves the local community, hence the desire to safeguard the site where it currently is. Designating as a Local Green Space would not restrict any sporting-related development at the site, in line with para 145 of the NPPF.</p> <p>1 - The Needles Recreation Ground</p>

Name and address	Description/purpose/ quality
<p>4. Remembrance Gardens and Mill Bay</p> <p>Adjacent to Riverside Walk</p> <p>Ref: D14</p>	<p>The Garden of Remembrance and the Mill Bay represent a peaceful space close to St Mary's Church and adjacent to the Riverside Walk in Horsham town centre. Owned and managed by HDC, it is a historic and tranquil area that has been an important public green space in the centre of Horsham for nearly 100 years.</p> <p>The sites have a long history as recreational open spaces in Horsham, dating back nearly 100 years when Horsham's first female councillor Nellie Vest Laughton created the Garden of Remembrance in memory of her husband and to commemorate the First World War, enabling it to become Horsham's first ever park.</p> <p>In 2018 the gardens were restored and upgraded to ensure a quality that meets the expectations for a heritage site such as this so close to the centre of Horsham's historic centre. The restoration was funded by developer contributions and enabled new signage, benches, lights and litter bins, repairs to railings and fencing and refreshing of shrub planting and trees and bulbs.</p> <p>The refurbishment project was managed by Horsham District Council, working in close collaboration with the Horsham Society and Denne Neighbourhood Council.</p>

No	No	No. The site has been subject to at least three planning applications, but these have been denied, largely because the principle tree on the site is a Cherry, which is of considerable amenity value.
NPPF CRITERIA Close to the community	Demonstrably special to the local community	Local in Character/not extensive tract of land
Located within the urban area.	Historic: Within the Conservation Area and home to part of the ancient twitten network, which contributes to the character of Horsham. Recreation: The area provides valued access to green space for the local community, in an otherwise urban area.	Yes

Name and address	Description/purpose/ quality	
<p>6. Communal garden with Hills Place</p> <p>Ref: D32</p>	<p>This is a communal garden provided for residents of the retirement home at Hills Place. The site was originally part of the Hills Estate, which comprised a Jacobean house with extensive grounds, owned Lord Irwin and his wife Frances. In the late 1700s, they commissioned Capability Brown to design the gardens for Manor. The land, however, was later bought by the Duke of Norfolk, who removed the manor and returned the land to agriculture. The current retirement home is built in the Georgian style on part of this former site.</p> <p>The communal garden is privately owned and well-maintained to a high standard with mature planting. It comprises benches for sitting and variety of flowering plants and shrubs. It is a valued tranquil spot for residents and their guests and also a hub for communal activities including the Summer Garden Party.</p> <div data-bbox="564 725 1310 1249"> <p>6 - Communal space within Hills Place retirement</p>  </div> <div data-bbox="576 1283 1297 1632">  </div>

<p>7. Fenhurst Close Community Garden</p> <p>Ref: D33</p>	<p>This former children's playground is now laid to grass with some planting and a pathway around the edge and enclosed from the road by a low wall. The entrance to the green space is via a wooden archway, and the space itself has seating available. It's maintained by HDC; there is planting around the brick wall perimeter. The space is well-located in a visible position, making it safe for children, who use the central hard surface to ride their tricycles and small bikes on. There are also some 'leapfrog mushrooms' for the children to play on. The space is also used by local teenagers as a space to play and meet with friends.</p>  <p>The map shows the location of Fenhurst Close Community Garden, highlighted in green. It is situated in a residential area with streets including Fenhurst Close, Fenhurst Crescent, and Fenhurst Way. The garden is located between Fenhurst Close and Fenhurst Crescent. An inset map in the top right corner shows the location of the garden within a larger area.</p>
