Billingshurst Neighbourhood Plan 2019-2031

The Neighbourhood Planning (General) Regulations 2012 (as amended) - Regulation 16

Billingshurst Neighbourhood Development Plan

In light of recent announcements regarding COVID-19, Horsham District Council to reviewed its protocols regarding the consultation process for neighbourhood plans, a number of which were published for public consultation shortly before the government imposed the nationwide lockdown.

In order to continue to progress neighbourhood plans, we have made a decision to continue with the consultation process with measures we feel are in accordance to the government guidelines.

Billingshurst Parish Council has prepared a Neighbourhood Development Plan (BNP). The Plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally. In accordance with Regulation 16 of the Neighbourhood Planning Regulations 2012 (as amended), the BNP and associated documents will go out to consultation:

Wednesday 17 June to Wednesday 12 August 2020 for 8 weeks inviting representations on the draft submission plan, basic conditions statement, consultation statement and the Strategic Environmental Assessment (SEA) screening opinion. Supporting Background Papers are for information purposes only.

Copies of the BNP Neighbourhood Plan and supporting documents are available to view on the Horsham District Council's website:

<https://www.horsham.gov.uk/planningpolicy/planning-policy/currentconsultations>

Documents will not be made available in deposit locations due to the current COVID-19 pandemic. If local residents have difficulty in engaging online we have provided a telephone number and email address below. Members of the public are encouraged to leave their details for an officer to contact them back if they need further information.

Please give details of your reasons for support/opposition, or make other comments here:

I fully support the adoption of ALL the Local Green Spaces in Billingshurst, as shown on the plan. They are vital for use as local informal play areas and as spaces for the protection of wildlife, which is being highly pressured by the destruction of habitat due to the extensive building in the village.

In particular I strongly support the proposal for Maple Road Green to be a Local Green Space, which from the outset was identified as an amenity area.

I also suggest the inclusion of the green space in Broomfield Drive, fronting Nos. 42-52, with its mature willow tree.

What improvements or modifications would you suggest?
